

110 年統測試題或答案確認說明

考科名稱	四技二專-共同科-英文
試題題號	11
試題內容 (含選項)	<p>Marie Curie (居禮夫人)was a <u>magnificent</u> scientist who was the first woman to win the Nobel Prize.</p> <p>(A) brilliant (B) believable (C) critical (D) commercial</p>
公告答案	A
確認說明	<p>1. 本題考的是選擇跟畫底線的字詞意義最接近的答案，magnificent 的定義為"very good and very impressive"，中文為"出色的，令人讚嘆的"等正面的意思，所以選項當中跟畫底線的字詞意義最接近的答案為(A)，選項(C)與 magnificent 的定義並不同，所以不會是答案，本題唯一的正確答案為(A)。</p> <p>2. 英文單字選擇尚需要考慮到 collocation (搭配字詞)，而基於當代朗文高級辭典，當 critical 翻成關鍵的，通常是跟 stage 或 moment 放在一起，a critical stage in his illness 病情的關鍵階段 或 critical moment 關鍵時刻。另外 Macmillan English Dictionary 也列出跟 critical 放一起的名詞如下列: analysis, appraisal, evaluation, examination, scrutiny 故本題應維持答案(A)。</p> <p>3. 故本題最適當答案為(A)。</p>

考科名稱	四技二專-共同科-英文
試題題號	21
試題內容 (含選項)	<p>Teacher: Why are your class scores always so bad?</p> <p>Johnny: Because... I always sleep in class, Sir.</p> <p>Teacher: _____</p> <p>Johnny: That's right, Sir. This is something I won't do again.</p> <p>(A) Maybe you should sleep more at home.</p> <p>(B) You should try and fail the next test, too.</p> <p>(C) Do you stay up playing games every night?</p> <p>(D) Why don't you try to study more at home?</p>
公告答案	C
確認說明	<ol style="list-style-type: none"> 1. 在選項(A)當中，老師如果跟 Johnny 說"Maybe you should sleep more at home."，就表示老師鼓勵 Johnny 在家多睡覺，而 Johnny 回答說"That's right, Sir."表示同意，但後面接的句子卻又說"That's something I won't do again."這樣的回應是邏輯不通的說法，所以本題唯一的正確答案應該是(C)。 2. 選項(A)Maybe you should sleep more at home，“Maybe you should do something...”在英文表示建議。若答案為選項(A)，當老師建議學生應該在家多睡覺，後面學生的回覆“That's right. This is something I won't do again.”這邊的指稱詞 this 就會指涉到離它最近的先行詞“sleep more at home”，而學生對此建議竟說：[這件事情(在家多睡一點)我不會再做了]，句子意義上顯得不合理。答案應維持選項(C)Do you stand up playing games every night?當老師詢問學生是否因為每晚熬夜玩遊戲而在課堂睡覺，隨後學生的答覆“That's right, sir. This (stand up playing games every night) is something I won't do again.”才顯得合乎對話邏輯。 3. 故本題最適當答案為(C)。

考科名稱	四技二專-共同科-英文
試題題號	38
試題內容 (含選項)	<p>According to the passage, which statement is true?</p> <p>(A) About 17 million children worked for their school meals.</p> <p>(B) Groups fighting in Yemen managed to receive wheat flour.</p> <p>(C) In Central Asia, the WFP ended a conflict through cooperation.</p> <p>(D) The WFP donated food to 12,000 victims in the Iran earthquake.</p>
公告答案	C
確認說明	<p>1. 本題要回答的是根據文章內容，選出訊息正確的句子，答案(B)並非訊息正確的句子，因為根據第三段第三行的內容"However, WFP workers managed to bring wheat flour to people in need..." 並未敘述 people in need 包括 Groups fighting in Yemen，所以(B)並非正確答案。根據第二段第二行到第六行的內容，“The world cannot end hunger without putting an end to conflict. In 2010, the WFP...”主要在敘述 WFP 藉由協助重建水源供給系統，讓在中亞的兩個國家共享水資源，並提供食物給參與建設的人，這就是透過多方合作，解決衝突並同時結束飢餓問題的範例，所以本題唯一的正確答案應為(C)。</p> <p>2. 針對選項(C)，其對應原文為 “In 2010, the WFP successfully resolved a conflict situation in Central Asia. Several villages on the border of two countries were quarreling over water resources. The WFP helped to rebuild water supply systems which were shared across borders and provided food for people who joined in the construction.”</p> <p>3. 原文一開始即指出問題是由於在兩國邊界的數個部落搶奪水資源問題而導致。為了解決此衝突，WTF 幫助重建水供應系統(rebuilt water supply system)，而其銜接關係子句“which were shared across borders”，強調此供水系統為兩國邊界所共享，可知 WFP 是經過協調合作以重建共享供水系統與提供食物給有一起參與此建設的人們，在在強調 WFP 居間協調地位。故選項 C 為正解。另外，原文指出 “In 2017, millions of people in the Arab country of Yemen were close to starving in the war between rival groups. Some of these groups cut off food supplies to cause fear in the population. However, WFP workers managed to bring wheat flour to people in need, preventing the use of hunger as a weapon of war.” 針對葉門的衝突，是 WFP workers 設法提供小麥麵粉給有需要的人們，而無提到選項(B)中所指的在葉門鬥爭的群體設法取得小麥麵粉。</p> <p>4. 故本題最適當答案為(C)。</p>
